St. Mary Magdalene, Todd's Mill

The church and cemetery are on land originally belonging to the Todd family. The original church building was completed May 15, 1869 on the site of the present cemetery. A new church was completed May 27, 1903 farther west to replace the original church which was destroyed by fire on April 29, 1901. More land was left for the cemetery by moving the church to its present site.

St. Mary Magdalene, Todd's Mill

The church and cemetery are on land originally belonging to the Todd family. The original church building was completed May 16, 1889 on the site of the present cemetery. A new church was completed May 27, 1903 farther west to replace the original church which was destroyed by fire on April 29, 1901. More land was left for the cemetery by moving the church to its present site.

Bethel Cemetery

On March 23, 1850, John M. Woodside and his wife deeded six acres of land to the trustees of the Bethel Associate Presbyterian Church for a church and burying ground.

The earliest grave is believed to be that of Jane Dermond, wife of John Dermond, who died May 16, 1850, she was born in 1782 in Ireland. The cemetery contains the graves of servicemen from the Black Hawk War to the Vietnam War.

In the first quarter of the twentieth century, the church removed to Swanwick and the cemetery was allowed to fall into neglect. In 1936 a successful cemetery benefit picnic was held, and it has become an annual event.

In May 1948 a public meeting was held to form a cemetery association. In September 25, 1948 the Swanwick Bethel Cemetery Association was legally organized under Illinois state law. In 1972 an irrevocable trust was set up to provides funds indefinitely for the future.
